The event will be made available via webcast on the Investor Relations section of the SailPoint website at <https://investor.sailpoint.com/>. An audio replay of the investor day will be available on the investor relations website for one year.

About SailPoint

SailPoint (Nasdaq: SAIL) is defining the new era of adaptive identity security. In a world where non-human identities now significantly outnumber humans, our AI-powered platform unifies identity, security, and data intelligence to protect today's enterprise from advanced identity-based threats. We deliver the identity solution that spans both the breadth of identities and the depth of context needed to drive real-time access with confidence. Built on principles like zero-standing privilege and contextualized risk, our SailPoint platform transforms identity from a point of vulnerability into a powerful security advantage. Trusted by many of the world's leading organizations, SailPoint secures the enterprise with intelligent, autonomous identity security.
